

## NURSE AND RESIDENT CALL FOR ABSTRACTS

# Southwest Trauma & Acute Care Symposium

On behalf of AZTrACC we would like to invite you to our first annual **national** trauma symposium. More than **10 outstanding speakers** will be giving sixteen concise lectures on **relevant** trauma and critical care topics. The content will be of special interest to physicians, nurses and other providers with a strong interest in trauma and critical care.

The symposium is all day Thursday and 1/2 day Friday at the wonderful Doubletree Resort in Scottsdale. The exceptional conference room rates will extend through the weekend if you would like to “soak up” some more Arizona sun in November!

The Arizona Trauma and Acute Care Consortium (AZTrACC) is a private, non-profit organization that is a network of all of 8 Level I Trauma Centers in Arizona, physicians, nurses and other trauma care providers with the common interests of improving the delivery of health care to injured patients by promoting trauma education, collaborative research, and outreach activities.

### Resident and Nurse Posters

**Scientific posters on trauma topics will be accepted from residents and nurses until October 15, 2009. Prizes will be awarded!**

- \$500 – First Place
- \$375 – Second Place
- \$125 – Third Place
